This Agreement is made and entered into by and between the Board of Trustees of the University of Illinois, a corporate and body politic (hereafter referred to as "University"), and the Uni Faculty Organization/IEA/NEA (hereafter referred to as "Organization") representing Teaching Associates employed by the University of Illinois Laboratory High School as identified in Article II hereof.
ARTICLE I
PURPOSE

This Agreement is intended to provide for an orderly collective bargaining relationship between the University and Organization, on behalf of bargaining unit employees, and to establish and make clear the wages, hours, and terms and conditions of employment of bargaining unit employees, including a procedure for the equitable resolution of grievances relating to the express terms of this Agreement.

ARTICLE II
RECOGNITION

Pursuant to the Order of Certification issued by the Illinois Educational Labor Relations Board on May 28, 2014, in case number 2013-RC-0008-S, the University recognizes the Uni Faculty Organization/IEA/NEA (herein referred to as "Organization") as the exclusive representative for purposes of collective bargaining for the bargaining unit described below and such other classifications as may be added in accordance with the law:

Included: All full-time and regularly employed part-time teaching associates at the University of Illinois Laboratory High School.

Excluded: All supervisory, managerial and confidential employees as defined under the Illinois Educational Labor Relations Act.

ARTICLE III
MANAGEMENT RIGHTS

Section 1. University Rights

Except as specifically abridged by this Agreement, all powers, rights, and authority of the University are reserved by the University, and the University retains sole and exclusive control over any and all matters in the operation, management, and administration of the University; the control of its properties and the maintenance of order and efficiency of the workforce; and complete authority to exercise those rights and powers by making and implementing decisions with respect to those rights and powers. In order to operate its business and except as expressly and specifically limited or restricted by a provision of this Agreement, the University reserves and retains in full, exclusively and completely, any and all management rights, prerogatives, and privileges previously vested in or exercised by the University, and the unqualified right to place any or all of such rights into effect. Such rights and powers include, but are not limited to, the exclusive right and power:
1. to determine the mission of the University, its organizational structure, and the methods and means necessary to fulfill that mission;

2. to adopt and amend budgets and make budgetary allocations or reallocations affecting the University as a whole or any of its departments or units;

3. to establish qualifications, appoint, and determine the appointment fractions and duration of employment upon appointment for all bargaining unit members, including whether bargaining unit members will be reappointed and, if so, the terms and conditions governing such reappointment;

4. to determine the number of bargaining unit members to be appointed or reappointed and to relieve bargaining unit members from duty due to lack of work or funds;

5. to determine, assign, and schedule the type and kind of services and the work to be performed by bargaining unit members or by others, including the job content and the location of such services or work;

6. to establish, modify, combine or eliminate positions;

7. to determine the number, location or relocation or facilities, buildings and rooms, and ancillary facilities such as parking lots, including the policies governing the use of such buildings, rooms or facilities.

8. to discipline, suspend, dismiss, non-renew and reappoint bargaining unit members;

9. to supervise, train, and evaluate bargaining unit members;

10. to determine materials and equipment to be utilized by bargaining unit members and the methods and means by which work shall be performed and services provided;

11. to establish quality and performance standards rules for bargaining unit members;

12. to adopt and enforce policies, rules, and regulations, including rules and regulations governing tuition waivers and the work, training, and conduct of bargaining unit members; and

13. to perform all other functions inherent in the administration, management, and control of the University.

Section 2. Academic Freedom and Judgment

The University and the Organization agree that academic freedom is one of the values essential to higher education. It is further agreed, except as abridged by the specific terms of this Agreement, that the University and management through the campus departments, retains the sole and exclusive control to make all academic judgments in accord with the University of Illinois Statutes
and related policies, as amended, concerning: (a) courses, curriculum, and instruction, including content, methods, and instructional material; (b) the nature and the form of assignments required, including examinations and other work; (c) research, research compliance and academic integrity, and other scholarly, scientific, and service-related activities; (d) class size; and (e) grading policies and practices.

Section 3. Non-waiver

Any rights granted to or acquired by the employees or the Organization under this Agreement or during its life shall have no application beyond the term of this Agreement or any renewal thereof. The failure of the University to exercise any power, function, authority or right reserved or retained by it, or the exercise of any power, function, authority or right in a particular manner shall not be deemed a waiver of the right of the University to exercise such power, function, authority, or right, or to preclude the University from exercising the same in some other manner, so long as it does not conflict with an express provision of this Agreement.

ARTICLE IV
ORGANIZATION MEMBERSHIP AND ORGANIZATION ACTIVITY

Section 1. Nondiscrimination

Each bargaining unit member may make his/her own personal decisions with respect to Organization or other employee organization membership without intimidation or coercion. There will be no discrimination against any bargaining unit member by the Organization or the University because a bargaining unit member chooses not to become a member of the Organization or because the bargaining unit member chooses to become a member of the Organization and/or acts as a representative of the Organization or its members or other employees pursuant to this Agreement.

The Organization will advise the University in writing of all representative and alternates who have been designated by the Organization.

Section 2. Meeting Place

The Organization and its members shall have the right to use a meeting room in University buildings in accordance with University policies for organizational meetings and the right to transact official Organization business on University property at reasonable times, provided these meetings shall not interfere with or interrupt the normal University operations.

Section 3. Use of Campus Mail and Email

The Organization shall have the right to use campus mail and email in accordance with University policy for the purposes related to representation of employees in this bargaining unit.
Section 4. Use of University Bulletin Boards and Computers

The Organization shall have a bulletin board in the employee lounge. Ordinary Organization or association business may be posted on the bulletin board for the purpose of communicating with Organization members. Such material shall not be political, partisan, or defamatory in nature.

Section 5. Request for Information

The Organization agrees that any requests of information shall be in good faith. The University shall make available to the Organization, in response to reasonable requests and in a timely fashion, information necessary for representational interests, negotiations, and processing of grievances, as required by law. Such information shall be readily available and not unduly burdensome.

ARTICLE V
NON-DISCRIMINATION

In the application of this Agreement, there shall be no discrimination by the Organization or University against any member of the bargaining unit because of race, creed, color, sex, religion, national origin, order of protection status, ancestry, marital status, civil union status, age, disability, genetic information, status as a protected veteran, sexual orientation, gender identity, membership or non-membership in or activity on behalf of or in opposition to the Organization.

ARTICLE VI

The University is committed to the safety and well-being of its students, faculty, staff, and the public it serves. The administration, faculty, and staff have the responsibility to promote health and safety in their environment and operations and shall do so in accordance with any and all applicable federal and state laws. Bargaining unit members shall report any unhealthy or hazardous work conditions, and the University shall review the situation and attempt to resolve the matter.

As determined necessary by the University, the University will provide training to teachers to administer emergency medication when there are students enrolled who have life-threatening allergies or other identified serious medical conditions.
ARTICLE VII
WAGES

Section 1. Wages

Upon effectuation of this Agreement, the University of Illinois Laboratory High School will implement a salary increase program of two and one-half percent (2.5%) as provided in the FY15 campus-wide salary program as announced in the “University of Illinois at Urbana-Champaign FY 2015 Budget Guidelines” retroactive to August 16, 2014.

It is hereby agreed by both parties to this Agreement that wages will be adjusted on August 16, 2015, by the percentage increase announced by the University of Illinois Urbana-Champaign campus according to the General Salary Program.

It is hereby agreed by both parties to this Agreement that wages will be adjusted on August 16, 2016, by the percentage increase announced by the University of Illinois Urbana-Champaign campus according to the General Salary Program.

Bargaining unit members who are employed by the University as a Teaching Associate at the University of Illinois Laboratory High School as of the date that this Agreement is fully executed also shall receive a one-time signing bonus of five hundred dollars ($500.00) that will not be added to their base salary.

Section 2. Endowed Funds

The parties recognize that endowed funds are administrated via the terms of the gift agreement and shall not be considered part of the negotiated compensation package. The parties further agree that the use of endowed funds is not subject to collective bargaining.

Section 3. Stipends

University High Administration may create, continue or discontinue stipends at its discretion. Existing stipends shall continue to be paid at current levels, unless the Employer notifies the Organization of proposed modifications at least thirty (30) days prior to implementation. At the request of the Organization, the Employer shall meet and discuss the reasons for its decision.

ARTICLE VIII
BENEFITS AND LEAVES

Section 1. Benefits

Teachers are eligible for group health insurance options as provided through the State of Illinois Department of Central Management Services under the Group Insurance Act of 1971 (5 ILCS 375). These benefits are subject to modification from time-to-time. Teachers are eligible to
participate in the State University Retirement System pursuant to the Illinois Pension Code (40 ILCS 5) as allowable by law and as may be amended or superseded. Teachers are eligible to participate in additional benefit programs offered by or through the University in accordance with its provisions, which are subject to change from time-to-time.

Section 2. Leaves

Teachers at Uni High will be eligible to participate in leaves as provided by the University such as, but not limited to, Sick Leave, Family Medical Leave Act of 1993 (FMLA) Jury Service, Parental Leave and Holidays. The parties agree that nothing is in this Section is intended to limit the University’s ability to amend and/or change leave benefits from time-to-time.

Section 3. Professional Development

Teachers may apply to the school for funding for professional development activities. For the term of this agreement, teachers shall maintain eligibility for Scholar’s Travel funds.

ARTICLE IX
APPOINTMENT AND REAPPOINTMENT

Decisions of the University relating to appointment, reappointment and promotion will be made consistent with the University of Illinois Statutes, The General Rules Concerning University Organization and University of Illinois at Urbana-Champaign campus policies, as may be amended from time to time. Disputes a bargaining unit member or the Organization may have relating to appointment, reappointment and promotion shall be handled under the University of Illinois Statutes, The General Rules Concerning University Organization and University of Illinois at Urbana-Champaign campus policies and shall not be subject to the Grievance and Arbitration Article of this Agreement.

The use of the term “Visiting” shall be in accordance with the provisions of the Provost’s Communications, as may be amended from time to time.

ARTICLE X
HOURS OF WORK AND COMMITMENT

Section 1. Appointment and School Calendar

Bargaining unit members covered herein are expected to maintain work hours and commitment to the University required by the terms of their appointments. The school calendar shall involve no more than 185 work days. Disputes under this section, excluding the 185 work day school calendar, are not grievable.
Bargaining unit members shall comply with the University of Illinois Policy on Conflicts of Commitment and Interest and related State of Illinois laws such as the *University Faculty Research and Consulting Act*, 110 ILCS § 100 and the *State Officials and Employees Ethics Act*, 5 ILCS § 430.

Section 2. Scheduling Considerations

Executive Teachers may provide input related to scheduling.

Section 3. Lab Mission

In addition to their formal teaching load, teachers at University High contribute to the laboratory mission of the school approved by the Employer. The Employer's approval and evaluation processes for the laboratory mission will be developed with input from the Organization.

ARTICLE XI

WORKING CONDITIONS

Section 1. Classroom Availability

The University shall strive to have rooms ready for use on the first teacher institute day at the beginning of the year.

Section 2. Disruptions to Workspace Usage

Teachers whose workplaces face disruptions shall be given appropriate notice. Teachers shall be compensated at a rate of $20 per hour, for a maximum of three (3) hours per event, for the time spent outside of the 185 calendar period responding appropriately to accommodate those disruptions. Such compensated time shall be at the sole direction and approval of the Employer.

Section 3. Technology Access

Technology has become a critical tool for teaching, communicating with peers, researching and documenting. Subject to available resources, the school shall strive to provide appropriate and equitable technology and training to teachers. Because each teaching situation is somewhat unique, teachers may provide input regarding technology that is most appropriate for their disciplines. Damage or loss to school equipment shall be handled on a case-by-case basis.

Section 4. Physical Facilities

Upon request, issues regarding physical facilities, including desks and cabinets, may be discussed at a labor management meeting.
ARTICLE XII
DISCIPLINE AND DISMISSAL

The University may discipline, suspend, or dismiss a bargaining unit member prior to the end of his/her appointment term for just cause. In the event the University dismisses a bargaining unit member prior to the end of his/her appointment term, such bargaining unit member shall only be entitled to compensation, on a pro-rata basis, for services performed prior to the dismissal. Such bargaining unit member may utilize the Grievance and Arbitration procedure set forth in Article XVI of this Agreement to appeal the disciplinary action. In no instance, however, even if the arbitrator determines that there was a lack of just cause for the discipline or dismissal, shall the arbitrator possess the authority to award a bargaining unit member any remedy (e.g., compensation, re-appointment, etc.) for time beyond the terminal date of the appointment during which he/she was disciplined or dismissed. A failure to reappoint a bargaining unit member upon the expiration of the term of his/her appointment is not discipline or a dismissal under this Article and shall not be subject to the Grievance and Arbitration Article of this Agreement (see Article XVI).

Any teacher covered by this Agreement shall have the right to UFO/IEA representation at any pre-disciplinary or disciplinary meeting. The representative and the teacher shall normally be given seventy-two (72) hours’ notice prior to the commencement of any such meeting.

ARTICLE XIII
ACADEMIC FREEDOM

Bargaining unit members shall be entitled to the protection of academic freedom as set forth in the University of Illinois Statutes.

Any dispute under this Article shall be resolved under Article X, Section 2 (d), of the University of Illinois Statutes, as they may be amended from time to time, and not the Grievance and Arbitration Article of this Agreement.

ARTICLE XIV
ACCESS TO PERSONNEL FILE

Section 1. Personnel File

The University shall maintain the official personnel file for each bargaining unit member in the Academic Human Resources office. A departmental personnel file may also be maintained for administrative purposes. Teaching Associates shall have the right to add explanatory material to their official personnel file, as provided in the Personnel Record Review Act (820 ILCS § 40/1, et seq.).
Section 2. Employee Signature

A bargaining unit member’s signature on disciplinary or evaluative material confirms only discussion or receipt of these documents, but indicates neither agreement nor disagreement.

Section 3. Access to File

Each bargaining unit member shall be permitted to review the official personnel file as provided in the Personnel Record Review Act. If authorized by a bargaining unit member in writing, an Organization representative may also review the file as provided by law.

Section 4. Employee Rebuttal

No evaluative or disciplinary material will be placed in the file without the teacher having knowledge of the material and a chance to respond.

Section 5. Reproduction

Upon request by a bargaining unit member, the University will reproduce materials in the bargaining unit member’s personnel file in accordance with the Personnel Record Review Act.

Section 6. Release of Information

The University will comply with the Personnel Records Review Act when releasing information from a bargaining unit member’s personnel file to a third party.

ARTICLE XV
LABOR MANAGEMENT MEETINGS

The Organization and the University shall meet at least one time per year during the term of this Agreement, if so requested by the Organization. The Organization, through its Executive Board, shall designate two members to meet on its behalf, and the University will designate two individuals to meet. A mutually agreeable place and time shall be established for any meeting called. Organization members engaged in active grievances will not attend these meetings.

This Agreement shall not be construed to prevent the Board of Trustees or any University administrator from meeting with any bargaining unit members, constituency group, or employee organization to hear their views on any matter.
ARTICLE XVI
GRIEVANCE AND ARBITRATION

Section 1. Grievance Definition

A grievance is a complaint alleging that the University breached a specific term of this Agreement. It is understood and agreed that no dispute is subject to the grievance procedure if the matter is not specifically covered by this Agreement. However, any dispute or difference of opinion concerning an employment related decision that falls within the exclusive authority of the University is not grievable under this Article. No grievance shall be considered under this procedure unless it is presented as provided below.

Section 2. Notification of Organization Officials

The Organization shall furnish the University with a full list of elected officials and elected officers, including grievance officer, as soon as they become available, but not later than September 15, of each academic year. The Organization shall also inform the University in writing of any changes to the list of elected officials and elected officers, including the grievance officer, as changes take place.

Section 3. Basic Principles

1. Every bargaining unit member covered by this Agreement, with or without Organization representation, may pursue a grievance. Meetings, conferences and hearings under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, to attend.

2. The parties recognize that day-to-day problems may be discussed between bargaining unit members and supervisors. Such informal discussions are encouraged, but shall have no effect upon the time limits set forth in this Agreement. It is further understood that the various time limits set forth in this Article may be extended only by the mutual written agreement of the University and the Organization.

3. A bargaining unit member who participates in the grievance procedure in good faith shall not be subject to discipline or reprisal because of such representation. All records of grievances will be kept separate from the official personnel file maintained by the Academic Human Resources Office.

Section 4. Process

1. Time Limits

Failure to file a grievance within twenty-one (21) calendar days following the date when the events on which the grievance is based occurred (or within 21 calendar days following the date when the organization or employee discovers the event) shall constitute a waiver of the grievance. Failure to appeal a grievance from one level to another within the time periods
hereafter provided shall constitute a waiver of the grievance. If the University fails to respond to a grievance within the applicable time limit, the grievant may appeal the grievance to the next level if such advancement of the grievance is appealed within twenty-one (21) calendar days following the final date on which the University’s response was due.

2. Adjustment of Grievances

LEVEL 1. If the grievance is not resolved through informal discussion, the grievant shall have twenty-one (21) calendar days from the date of the first events on which the grievance is based to file a written grievance with the Director of University Laboratory High School. The written grievance shall contain the following information: a specific description of the dispute, the facts giving rise to the dispute, a listing of the article and section of the Agreement violated, a statement as to how the article and section were violated, the date of the violation, and requested remedy. The Director, or designee, may meet with the grievant (and his/her Organization representative, if so desired) and shall issue a written decision on the grievance to the grievant within twenty-one (21) calendar days after receipt of the written grievance or within twenty-one (21) calendar days of the meeting if one is held, whichever is later.

LEVEL 2. In the event the grievance is not resolved at Level 1, the decision rendered may be appealed to the Provost’s Liaison to University Laboratory High School or designee, provided such appeal is made in writing within fourteen (14) calendar days after receipt of the Level 1 decision. If a grievance has been appealed, the Provost’s Liaison or designee may meet to discuss the grievance. Within twenty-one (21) calendar days after receipt of the appeal or within twenty-one (21) calendar days after the meeting, whichever is later, the Provost’s Liaison or designee shall issue a decision to the Organization and the grievant(s).

LEVEL 3. In the event the grievance is not resolved at Level 2, the decision may be appealed to the Associate Provost for Human Resources or designee, provided such appeal is made in writing within ten (10) calendar days after receipt of the Level 2 decision. If a grievance has been appealed to Level 3, as described above, the Associate Provost for Human Resources or designee may meet to hear the grievance. Within fourteen (14) work days after receipt of the appeal or within fourteen (14) work days after the meeting, whichever is later, the Associate Provost for Human Resources or designee shall issue a decision in writing to the parties involved.

3. Arbitration Procedure

a. Request - The Organization may submit a grievance to arbitration, provided written notice of the Organization’s intent to arbitrate is delivered to the Office of Labor Relations within ten (10) calendar days following receipt of the Level 3 decision.

b. Selection of Arbitrator - Upon submission of a request for arbitration, the parties may, within fourteen (14) work days after the request to arbitrate, attempt to agree upon an arbitrator. In the event the parties are unable to agree upon the arbitrator within this fourteen (14) work-day period, the parties shall jointly request the Federal Mediation and Conciliation Services (FMCS) to submit a panel of seven (7) arbitrators, all of whom shall be members of the
National Academy of Arbitrators. Each party retains the right to reject one panel in its entirety and request that a new panel be submitted. Both the University and the Organization shall have the right to strike three (3) names from the panel. The party requesting arbitration shall strike the first three names; the other party shall then strike three names. The person remaining shall be the arbitrator. The parties shall promptly notify the arbitrator of his/her selection.

c. Hearing - The grievance shall be heard by a single arbitrator and both parties may be represented by such persons as they may designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator.

d. Decision - The arbitrator so selected shall confer with the University and Organization representatives and hold hearings promptly and shall issue her/his decision not later than thirty (30) calendar days from the date of the close of the hearings or, if written briefs have not been waived, then from the date the final statements and proofs on the issues are submitted to her/him. The arbitrator’s decision shall be in writing and shall set forth her/his findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator’s authority shall be limited to determining whether the University has violated arbitrable provisions of this contract and to ordering corresponding remedies. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify, or ignore in any way the provisions of this contract nor shall the arbitrator have the authority to review any academic judgment. To the extent that the University’s action is based upon academic judgment, the arbitrator shall have no authority or jurisdiction to substitute his/her judgment for that of the University and its agents. The decision of the arbitrator shall be submitted to the parties and, if it is rendered in accordance with the provisions of this section, shall be final and binding on the parties.

e. Expenses - The cost for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses shall be borne equally by the University and the Organization. Any other expenses incurred shall be paid by the party incurring the same.

ARTICLE XVII
UNAUTHORIZED WORK STOPPAGE

This Agreement contains a grievance resolution procedure which provides for final and binding arbitration of disputes concerning the interpretation of this Agreement. Therefore, during the term of this Agreement, there shall be no strikes, work stoppages, slowdowns or sympathy strikes. No officer or representative of the Organization shall authorize, institute, instigate, aid or condone any such activities by members of the bargaining unit. The Organization further agrees that it will take reasonable means which are in its power to induce employees engaged in a strike or work stoppage in violation of the terms of this Agreement to return to work; such reasonable means include the Organization, through its officials, disavowing in writing any such action or interference and advising in writing that bargaining unit members engaged in such activity immediately return to work and cease the violation. Bargaining unit members who violate this article may be subject to
disciplinary action under the terms of this Agreement. In consideration of this “no strike pledge,” no lockout of employees shall be instituted by the Employer during the term of this Agreement; provided, however, that this Article shall not be construed as requiring the University to stay in continuous operation.

ARTICLE XVIII
DUES DEDUCTIONS

Section 1. Dues Deductions

Upon the receipt of a written and signed authorization card of an employee, the University shall deduct the amount of Organization dues set forth in such card and any authorized increase therein, and shall remit such deductions to the Organization at the address designated by the Organization in accordance with the laws of the State of Illinois. The Organization shall advise the University of any dues increase, in writing, at least thirty (30) days prior to its effective date. Nothing contained herein shall require the University to take any action to collect any dues from any Employee in any given pay period except to the extent that such Employee earns wages from the University in that period. The University shall not be responsible for withholding or deducting any amounts from an employee’s paycheck (including, without limitation, any one-time fees, such as initiation fees) on behalf of the Organization other than regularly occurring union dues.

Section 2. Remittal of Withholdings

The University shall take such steps as may be required to accomplish any wage withholdings authorized or required by Sections 1 hereof and shall do such things as are necessary to cause said withholdings to be remitted to the collective bargaining agent within thirty (30) calendar days after the date of withholding, provided that nothing contained in this Article shall require the University to make any withholdings unless and until the Organization has notified the University of the address to which the amount so withheld should be sent and has certified the amount of dues/assessments to be withheld, both within sufficient time to permit the University to carry out its obligations to so withhold. The amount withheld shall not change until the Organization notifies the University that a different dues amounts should be collected.

ARTICLE XIX
SAVINGS CLAUSE

If any provision(s) of this Agreement contained herein be determined to be illegal or invalid by a court or agency of competent jurisdiction or if compliance with or enforcement of any provision should be restrained by a court or agency pending a final determination as to its validity, such part(s) or provision(s) shall not invalidate the remaining portions hereof and they shall be continued in full force and effect. In the event any provision herein contained is so rendered invalid, illegal or restrained, upon written request by either party, the University and the
Organization shall enter into collective bargaining for the purpose of negotiating a replacement for such provision.

ARTICLE XX
ENTIRE AGREEMENT

Section 1. Entire Agreement

The parties agree that this Agreement constitutes the complete and entire agreement between the parties and concludes collective bargaining. This Agreement supersedes and cancels all previous agreements prior to the date of ratification, oral or written. The University and the Organization acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the University and Organization, for the life of this Agreement, each voluntarily waives and agrees that the other shall not be obligated to bargain collectively with respect to any and all mandatory and permissive subjects of bargaining, policies, or practices not covered in this Agreement during its term. However, as the exception to this waiver, the University agrees to bargain collectively over the impact of any decision to increase the course load of bargaining unit members upon the written request of the Organization.

Section 2. Supplemental Agreements

Any agreement(s) which supplement this Agreement shall not be binding or effective for any purpose whatsoever unless reduced to writing and signed by the University and the Organization.

ARTICLE XXI
DURATION

This Agreement shall become effective upon execution by both parties and shall remain in full force and effect through August 15, 2017. This Agreement shall automatically be renewed thereafter from year to year unless either Party notifies the other in writing at least one hundred and eighty (180) days prior to its expiration date of desire to modify or terminate it.
IN WITNESS WHEREOF, the Parties hereto have hereunto affixed their hands on this the ____________ day of __________________, 2016.
