Welcome to Campus Recreation

Campus Recreation provides a welcoming environment for everyone with sustainable facilities and programs that inspire the university community to engage in recreation and wellness opportunities.

Over 1,350,000 visits by patron each year. Students, faculty, staff, community members, and visitors use the facilities for everything from education to cheering on friends to personal relaxation and meditation.

With the Activities and Recreation Center (ARC), Campus Recreation Center East (CRCE), Campus Bike Center, and the Ice Arena, there are approximately 500,000 square feet of state-of-the-art indoor recreation space available to concentrate on wellness and healthy lifestyles. Additionally, 75 acres of outdoor fields between the Complex Playfields, the Outdoor Center Playfields, and the Illini Grove offer many opportunities for the students to stay active.

Campus Recreation also offers many diverse programs and amenities, including over 50 group fitness classes each week, a variety of intramural sports each semester, instructional cooking classes, wellness programs, rock climbing, learn-to-swim program, personal training sessions, bicycle demonstrations, ice skating and hockey programs, and more than 40 club sports.

University of Illinois Campus Recreation, as part of Illinois Student Affairs, celebrates diversity.

As such, we are dedicated to providing an inclusive environment with safe services, programs, and facilities that are welcoming to all individuals regardless of race, ethnicity, religion, spirituality, gender, gender identity/expression, age, sexual orientation, ability, socioeconomic status, or national origin. In an effort to accommodate all of our members, we provide multiple workout areas and programs to address various skills, abilities, and individual comfort levels.

Campus Recreation makes every effort to be accessible to all abilities. If you need special accommodations for any facilities or programs, please contact us at campusrec@illinois.edu.

Why Apply
With almost 600 student employees, Campus Recreation is one of the largest on-campus employers with positions ranging from lifeguarding to officiating to assisting customers. You will find your niche at Campus Recreation!

Student employees play an invaluable role in providing customer service, safety, and fun to our guests. Campus Recreation will offer you valuable work skills, life-long learning opportunities, and lasting friendships.

All Campus Recreation employees also have the potential to be promoted to leadership positions to enrich their experience as an employee and University of Illinois student. These leadership roles provide additional opportunities for transferable skills to take with you after college.

Work-study, wage positions, and internships may be available in a variety of areas.

Internships
For students interested in a more in-depth employment experience of Campus Recreation, internships are available within specific specialized functions.

The hiring process for internships is separate from part-time positions. Internship applications will be posted on our website when positions are open.

Application Process
Campus Recreation continually accepts applications—there are no deadlines to apply. You can select up to two (2) positions when you submit your application.

At the time of your application, these units may or may not be hiring (see website for current openings). If one or both units are not hiring, your application will stay on file for one academic year and reviewed the next time those units have openings.

Martial Arts
Providing innovative programs for the campus community, focusing on the eight dimensions of wellness. Take an Instructional Cooking class, wellness workshop, or let us create a custom class for your group!

**Orange & Blue Zone**
Work with experts and the support of peers to build an individualized wellness program. This 8-week program will provide guidance, support, and the motivation you need to succeed.

**Get Fresh!**
Participants will pick up their re-useable *Get Fresh!* tote of seasonal fruit and vegetables weekly at the ARC Instructional Kitchen. Weekly packets include recipes from the Instructional Kitchen, educational resources from McKinley Health Education, and food source from the Student Sustainable Farm.

**Workshops & Special Events**
Wellness Workshops are interactive and designed to engage, educate, and motivate you to live your healthiest life. Use these tools and new skills to enhance your overall wellbeing.

**Instructional Cooking Classes**
Helping you make healthy living a habit. All classes are cooking demonstrations with generous tastings of each recipe. We recommend that participants bring their food container in case there are leftovers.
