- c) Previous agreements and commitments by and between the Parties, contradictory to provisions hereof, are agreed to be null and void as of the effective date of this Agreement and this Agreement represents the entire agreement between the parties hereto. Any subsequent amendments hereto must be in written form and signed by the authorized official(s) of each party.

ARTICLE III NEGOTIATIONS AND EXCLUSIVE RECOGNITION

Section 1. Classes Represented.

The Employer recognizes the Union as the exclusive representative for a single negotiation unit consisting of employees in the following classes as defined or established by the State Universities Civil Service System of Illinois and employed by the Employer at Urbana-Champaign, Illinois.

Section 5. Protected Activity.

Each employee may make his/her own personal decision with respect to the Union or other employee organization membership, without intimidation or coercion. There will be no discrimination against any employee because of Union membership or because the employee is acting as representative of the Union or its members or other nonacademic employees pursuant to the provisions of this Agreement or of Policy and Rules.

Section 6. Notification of Recognition.

The Employer will notify all new personnel hired for work in the classifications covered by this Agreement that the Union is the authorized negotiating representative for said classification. The Union shall be notified by the Personnel Services Office of the name and address of any new employee hired in any of the classifications covered by this Agreement.

ARTICLE IV WAGES

Section 1. Method of Establishment of Wages.

Wages established in this Agreement shall become and remain effective as specified in Appendix "A", as amended, attached hereto and a part hereof, except as otherwise provided herein as established in negotiations by and between the Parties. The Employer shall provide notification of these wages to the State Universities Civil Service System of Illinois.

Section 2. Effective Date of Wages

Commencing each contract year thereafter of this Agreement, bargaining unit employees shall receive an across-the-board increase to their salaries that is equivalent to the campus wage program announced by the Provost (or other appropriate administrator for the Urbana campus) for civil service employees (civil service pay adjustment increment) for the corresponding academic year or two percent (2%), whichever is greater. The increases shall be retroactive if announced by the University.

The Union reserves the right to request to reopen the contract for the purposes of discussing wages only during the third (3rd) year of the contract (Academic Year 2024-25). To request such a wage reopener, the Union must notify the Labor and Employee Relations section of Illinois Human Resources in writing of its intent to reopen the contract within thirty (30) calendar days of being advised by the University of the campus-wide general salary program announced by the Chancellor and the Provost as part of the campus wage program for that year or September 30th, whichever is earliest.

Section 3. Wages (Overtime).

- a) An employee covered by this Agreement shall be compensated at one and one-half (1 1/2) times their regular hourly rate (basic straight time hourly rate plus any applicable differential(s) plus any other amounts required by Federal law to be included in the rate of pay for purposes of computing overtime) for time worked in excess of eight (8) hours or seven and one-half (7.5) per day or forty (40) hours or thirty-seven (37.5) per week.
- b) Overtime may only be performed pursuant to specific supervisory direction.
- c) Overtime shall be divided as equally and impartially as possible among employees who perform work in classifications represented by this collective agreement.
- d) When a Broadcasting Engineer or Instructional Media Systems Technician is scheduled to work four (4) or more hours beyond his/her regularly scheduled shift, the same provisions for a meal period shall apply as provided in ARTICLE V, Section 1(a).

Section 4 (Work on 6th and 7th Consecutive Day – Television Broadcast Equipment Operators, Broadcasting Engineer and Instructional Media Systems Technician)

- a) If an employee is scheduled in advance to work six (6) workdays in any given seven-day workweek, the employee will be paid at one and one-half (1½) times the employee's regular rate for all hours worked on the sixth day. - b) If an employee is scheduled in advance to work seven (7) consecutive workdays in any given seven-day workweek, the employee will be paid at one and one-half (1½) times the employee's regular rate for all hours worked on the sixth day and at two (2) times the employee's regular rate for all hours worked on the seventh day. If the employee works less than four (4) hours on either date, the employee will be paid four (4) hours of pay at the agreed-upon overtime rate for that date.

- d) The parties agree and recognize that there shall be no pyramiding of overtime pursuant to this provision and that this provision deviates from Policy and Rules.

Section 5. Wages (Call-back).

- a) Call-back is defined as an official assignment of work which does not continuously precede or follow an employee's regularly scheduled shift. Approved time-not-worked for the employee's convenience does not break the continuance of the shift referred to in the preceding sentence.
- b) Broadcasting Engineers, Television Broadcast Equipment Operators, or Instructional Media Systems Technicians who report back upon the Employer's premises at the time specified in the call-back, with no work being offered, shall be paid four (4) hours pay at overtime or premium rate, whichever is applicable. If the employee called back actually reports upon the Employer's premises at the time specified in the call-back and performs work assigned by the Employer, he/she shall receive a minimum of four (4) hours pay, or be paid for actual time worked, whichever is greater, at applicable overtime or premium rates.
- c) Communications Technicians who report back upon the Employer's premises at the time specified in the call-back, with no work being offered, shall be paid three (3) hours pay at overtime or premium rate, whichever is applicable. Section 2. Non-Status Appointments.

Student and Intern appointments, if made, shall be made in accordance with Chapter VI Section 250.70 of the State Universities Civil Service System Rules.

Section 3. Shift Preference.

An employee who cannot perform these duties within the ten (10) working day period will be reassigned to his previous duties and shift.

Section 4. Rest Period.

All employees, except Communications Technician, shall be allowed a rest period of ten (10) consecutive hours between the completion of any one (1) day's work (including overtime hours) and the beginning of the following day's work.

Employees scheduled in violation of this provision shall be compensated at two (2) times their regular hourly rate for all hours worked that encroach upon the ten-hour rest period. It is agreed that employees must report for work as scheduled.

Section 5. Temporary Work Assignments for Broadcasting Engineers- Outside Urbana-Champaign.

- a) When an employee is required to work on a temporary work assignment outside the Urbana-Champaign Campus where work and travel are both required on the same calendar day, but overnight accommodations are not necessary, the employee shall be paid eight (8) hours of pay at the basic straight time hourly rate and time and one-half (1 1/2) the regular hourly rate for all hours over eight (8) spent in work or travel.
- b) When an employee is required to work on a temporary work assignment outside the Urbana-Champaign Campus and overnight accommodations are necessary, the following provisions shall apply:
 - 1) Travel and/or work should be limited to eight (8) hours per day when traveling by automobile or truck unless otherwise specified by the Employer. Employees will be paid the basic straight time hourly rate for the first eight (8) hours and the overtime or premium rate for all hours in excess of eight (8) excluding sleep time or other personal business.
 - 2) Employee's enroute to a temporary work assignment on other modes of transportation (airplane, bus, ship, train) will be paid a minimum of four (4) hours and a maximum of ten (10) hours for actual travel or work. Pay will be at the basic straight time hourly rate for the first eight (8) hours and at overtime or premium rate for all hours in excess of eight (8).
 - 3) If the temporary work assignment is aboard some mode of transportation, employees will be paid for eight (8) hours of work at the basic straight time hourly rate and time and one-half (1 1/2) the regular hourly rate for all hours worked in excess of eight (8).

- 4) When the temporary work assignment requires the employee to remain on the worksite, the employee will be paid for eight (8) hours of work at the basic straight time hourly rate and time and one-half (1 1/2) the regular hourly rate for all hours worked in excess of eight (8).
- 5) When an employee is required to travel (as in 1 or 2 above) on his/her regularly scheduled day off, he/she shall be paid at the overtime or premium rate.
- 6) Under no circumstances and notwithstanding anything contained herein shall the Employer be obligated to make nor shall the Employer in fact make any wage payments to any employee for time spent sleeping, on personal business, or engaged in recreational activities.

Section 6. Travel Time – Broadcasting Engineer, Television Broadcast Equipment Operators, and Instructional Media Systems Technician.

Employees shall be credited with all time spent traveling to and from assignments after reporting for work. Broadcasting Engineers and Television Broadcast Equipment Operators will report to work at Campbell Hall. Instructional Media Systems Technicians will report to work at Bevier Hall. Should the need arise to change reporting work sites, the employer will notify the Union and the employee at least fourteen (14) calendar days prior to such change.

Section 7. Posting of Schedules – Broadcasting Engineer, Television Broadcast Equipment Operators, and Instructional Media Systems Technician.

Schedules of working hours or work assignments shall be posted on the bulletin boards no later than Tuesday of the preceding week. In the event any schedule is changed after being posted, all hours worked outside of the posted schedule shall be compensated for at the applicable overtime rate unless such change is made at the request of an employee.

Section 8. Equipment – Broadcasting Engineer.

Wherever possible, it is agreed that Broadcasting Engineers will take the equipment to the source of broadcast.

Section 9. Proof of Performance Tests – Broadcasting Engineer.

Except in emergencies: Broadcasting Engineers will be used in Proof of Performance Test in both Radio and T.V.; a broadcasting engineer will assist on any installation job. Civil Service class specifications will govern work assignments; and bargaining unit work for all classifications covered by this agreement.

Section 10. Mutual Changes

Where this Agreement provides for changes by mutual agreement, such changes are to be initialed by the supervisor and the employee.

Section 11. Work Shift.

A work shift which commences on one day and continues into the following day shall be considered as the work day of the day that the shift started.

Section 12. Operating Errors – Broadcasting Engineer.

Errors shall not be charged against a Broadcasting Engineer when operating in a multiple capacity. However, this clause shall not preclude disciplinary action for negligence.

Section 13. Supervisory Assignments.

To meet its operational needs, the University may assign supervisory duties to Communication Technician IIIs, Instructional Media Systems Technicians, Broadcasting Engineers, and Television Broadcast Equipment Operators. Such duties may include supervising, instructing and assigning work to other employees within that employees' classification, as well to other employees outside the bargaining unit (such as students, extra-help personnel, contract labor, and multimedia technicians). Employees will not be permitted to supervise bargaining unit employees in other classifications outside the classification series. Whenever an employee is assigned supervisory duties, that employee shall receive a shift differential of three dollars (\$3.00) for each hour spent performing those duties in addition to the employee's regular, straight-time rate of pay.

Section 14. Fitness for Duty.

When the Employer has reason to suspect that an employee is not fit for duty and has requested a fitness for duty evaluation which determines the employee is unfit for duty and the employee's physician certifies that the employee is fit for duty, the Employer may rely upon the decision of an impartial physician, selected by mutual agreement, as to the employee's fitness for duty. Such examination shall be paid for by the Employer. Upon the request of the employee or Union, the University shall meet with the Union to discuss the fitness for duty evaluation request.

Section 15. Towers.

On radio towers and like structure equal to or greater than 50 feet in height, for assignments requiring climbing to that height or greater, the employee climbing the tower shall be paid two (2) times the regular rate of pay. This rate begins when the employee begins climbing and concludes when they return to the base of the tower, rounded up to the nearest quarter-hour. Tower height shall be measured from the base of the tower. A standby employee shall be required at the base of the structure at the regular rate of pay.

ARTICLE VI PERFORMANCE MANAGEMENT

Section 1. Performance Partnership Program

The parties agree that the previous disciplinary program utilized by the Employer which included oral warnings, written reprimands, unpaid suspensions, and discharge is terminated and that for the term of this agreement the parties are committed to the performance management program referred to as the Performance Partnership Program (PPP). This program is intended to be both positive and corrective in nature. It is intended to recognize good performance through Positive Contacts and Positive Recognition letters. It is also intended to correct/eliminate employee deficiencies through both informal non-disciplinary supervisory discussion (Constructive Contact and Performance Improvement Discussion), and through formal progressive corrective steps where appropriate. These progressive steps include:

Formal Corrective Action

- a. Work Performance Reminder
- b. Written Reminder
- c. Decision Making Leave

Discharge

The Employer reserves the right to skip any and all informal and formal steps due to seriousness of infraction or due to pattern of infractions. Any infraction that occurs while an employee is in an active period of the Decision Making Leave step may result in discharge. Formal Corrective Action will be issued according to the tenets of the Performance Partnership Program and for just cause. Formal Corrective Action will be issued as soon as practicable after the Employer became aware that a bargaining unit member or members engaged in an offense giving rise to Formal Corrective Action, but in no event (except extension) more than thirty (30) days after the action or event occurred.

The Employer may request an extension of the thirty (30) day time limit and the Union shall not unreasonably deny the request.

Absence of an employee for five (5) consecutive workdays without reporting to the Employer, or person designated by the Employer to receive such notification, may be cause for discharge in the absence of exigent circumstances that prevented them or someone acting on their behalf from being able to contact supervision at any point during that time period. For such absences, the following process will be followed:

1. Following the fifth consecutive workday of an absence by an employee without reporting, the Employer shall send notification of their absence to the employee and the Union.
2. Upon receipt of the notification, the employee shall have ten (10) workdays to respond.
3. If no response from the employee is received within the ten (10) workday timeframe, the employee will be considered to have resigned upon their last day of work. However, the University shall allow the employee to be reinstated to their former position if the employee

can demonstrate that the employee was unable to provide proper notification of his/her absence to the University due to circumstances beyond his/her control.

Section 2. PPP Guidelines and Materials

PPP guidelines are set forth in the University's PPP Supervisor's Manual as it may be amended from time to time. The Employer shall provide copies to the Union of their guidelines and other materials, which are provided to the management for the purpose of proper implementation of the PPP.

Section 3. Manner of Issuing Corrective Action

Corrective Action will be issued in a private manner so as not to cause unnecessary embarrassment to the employee.

Section 4. Pre-disciplinary Meeting and Notification

When the employer is contemplating formal corrective action, a pre-disciplinary meeting will be held. The employer will provide at least three (3) working days written notice to the employee prior to said meeting, except in cases of emergency, which the employer alone may define. Said notice shall contain date, time and location of meeting, specific reason, and apprise the employee of his/her right to representation at all times during the disciplinary process. The employee and his/her representative shall be given the opportunity to rebut the reasons for the contemplated discipline. If the employee does not request Union representation, a Union representative shall nevertheless be entitled to be present as a non-active participant at any and all such meetings.

Section 5. Notification of Corrective Action

In the event a Performance Improvement Discussion transpires or disciplinary action is taken against an employee, the employer shall promptly furnish the Union through its designated representative (unless requested not to do so in writing), and the employee with written notice of such corrective action and the reasons therefore.

Section 6. Historical Information

All formal and informal actions will remain as part of the employee's work history. Formal corrective actions will deactivate according to the specified times outlined below provided the employee has had no other formal corrective action during any of the active time periods. If an employee receives other formal corrective action during an active time period, all formal corrective actions will not deactivate until such time that all formal corrective action time periods have been completed. If a disciplinary action (including discharge) is challenged, management reserves the right to present an employee's entire work history as a means to illustrate the efforts management has undertaken to correct the employee deficiencies, including, but not limited to, all supervisor discussions and all formal corrective actions, regardless of activation status. Deactivated formal corrective actions will not be used to progress the current discipline, including discharge.

However, if an employee establishes a pattern (more than three) of infractions, deactivated formal corrective actions may be used to progress the current discipline. Supervisor discussions do not deactivate and will remain a part of an employee's work history.

- a. Work Performance Reminder – Six (6) months; provided no other formal corrective action during this time period
- b. Written Reminder – Twelve (12) months; provided no other formal corrective action during this time period
- c. Decision Making Leave – Twenty-four (24) months; provided no other formal corrective action during this time period

Section 7. Right to Appeal

The Union reserves the right to appeal any formal corrective action, including discharge, via the grievance procedure, up to and including binding arbitration. The employee reserves the right to rebut, in writing, any Performance Improvement Discussion. Any Performance Improvement Discussion rebuttal shall be made a part of the employee's unit file and a copy shall be sent to the campus PPP coordinator.

ARTICLE VII BENEFITS

Section 1. Policy.

Employee benefits (e.g., Leaves of Absence, Retirement Disability, Sick Leave, Holidays, Vacation and Personal Leave, Retirement, and Interinstitutional Reciprocity) will be as set forth in Policy and Rules. Benefits under the control of the Employer will not be diminished during the life of this Agreement, and improvements in such benefits will be made applicable to employees covered by this Agreement on the same date that such improvements are made applicable to other employees of the Employer.

Section 2. Health and Safety.

The Employer agrees to make adequate provisions for the safety and health of employees covered by this Agreement during the hours of their employment.

Section 3. Service and Seniority.

After completion of a probationary period of six (6) months as provided in the State Universities Civil Service Rules, employees shall acquire seniority rights retroactive to date of employment. Seniority as outlined in Policy and Rules shall be considered as part of this Agreement.

Section 4. Seniority Lists.

The Employer will provide and post current seniority lists that will be revised twice a year showing each employee's seniority and relative position.

Section 5. Family and Medical Leave

Bargaining unit employees will be offered family and medical leave in accordance with and pursuant to the terms of the federal Family and Medical Leave Act (FMLA). As set forth within that statute, eligible employees, as defined by the FMLA, will be granted up to twelve (12) workweeks of unpaid leave during a designated 12-month period. Throughout that leave, the employee's group health benefits will be maintained under the same terms as if the employee had continued working. At the end of the leave, the employee will be restored to the same or an equivalent position with equivalent pay, benefits and other terms of conditions of employment, and will be eligible to receive any enhancements in salary, benefits or other terms to the extent that the employee would have been eligible if the employee had continued working. The FMLA also provides certain military family leave entitlements as well. Eligible employees may use FMLA leave for specified reasons related to certain military deployments of their family members and may take up to twenty-six (26) weeks of FMLA leave in a single 12-month period to care for a covered servicemember with a serious injury or illness.

ARTICLE VIII PARKING

Throughout the term of this Agreement, bargaining unit employees who elect to purchase parking passes for daytime parking will be required to pay the same parking rates, as amended from time to time, that are offered to other University employees as part of the University's general parking fee rate structure. Part-time employees who elect to purchase parking passes will continue to be charged the corresponding full-time rate. The University will offer parking shuttle lots (if applicable) and night-time parking to bargaining unit employees under the same terms as it is offered to other University employees.
