

Illinois International

VALUE ADDED TO CAMPUS BY OUR UNITS, INITIATIVES, & ACTIVITIES

Who we are

Illinois International refers to the Office of the Vice Provost for International Affairs and Global Strategies, its functions, and its reporting units. We are dedicated to supporting campus internationalization through our administrative, academic, and programmatic services and initiatives. Together, we foster an environment where international perspectives are integral to our institutional culture.

What we do

We support the University's international community.

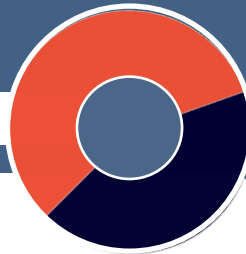

15,000+ international students, faculty, staff, and scholars from 100 countries study and work at Illinois thanks to our immigration and programmatic services.

We make transformative learning experiences abroad possible.

In addition to our 150 education abroad programs in 45 countries, we facilitate \$385,000 in scholarships and collaborate with campus partners to make these experiences safe and accessible to every student.

Did you know?

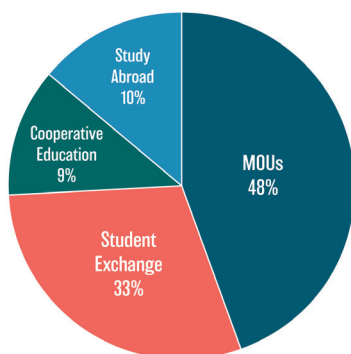

43% of our education abroad programs cost less or equal to in-state tuition.

 We assist all University travelers abroad 24/7/365.

We maintain Illinois' 400+ institutional agreements with partners around the globe.

We train the next generation of global problem solvers.

Our commitment to internationalization extends beyond our students. We provide inter-cultural competence training to staff, facilitate revenue-generating training programs, and provide funding to faculty engaging internationally.
